Prayer List guidelines

Weekly As We Gather prayer list

1. To place someone on the **weekly AWG list**, please contact the office with the specific request for the congregation to pray for.
2. A request will be kept on the AWG list for two weeks, then automatically removed. If you wish to have the request moved to the monthly list, please contact the office.
3. If something we are praying for is resolved before the two weeks, please contact the church office to record a thanksgiving, or just to let us know the situation is resolved.

Monthly Prayer List

There are some guidelines that we are also going to follow, hopefully to make the monthly prayer list a living active concern.

1. To place someone on the **monthly prayer list** please contact the church office with the specific request for the congregation to pray for.
2. A request will remain on the list automatically for three months. If you wish the request to remain on the list past those three months, please contact the church office to give an update (if there is one) or simply to say “this is an ongoing concern.”
3. If something we are praying for is resolved before those three months, please contact the church office to record a thanksgiving, or just to let us know the situation is resolved.
